Dear Ms. DINAPOLI:

I am writing to inquire about job opportunities in graphic design at Northwest Gear, Inc. Currently, I am employed as a sales associate at the Mergatroyd & Wren store in downtown Seattle. However, design is my true passion.

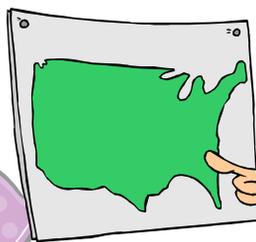

- While studying graphic design at a local university, I worked as an assistant to a Web designer. I gained valuable experience working with other designers, creating designs of my own, and meeting deadlines. Now THAT I HAVE A DEGREE IN GRAPHIC DESIGN, I WOULD LIKE TO OBTAIN A FULL-TIME POSITION IN DESIGN. Working at Northwest Gear would be A DREAM COME TRUE. I'VE enclosed a sample flyer that I did for a local CD shop.

In addition to my degree and experience, I believe that I have talent and style. Being young, I also have a good idea of the types of clothes that appeal to teens. I would be happy to meet you and show you my portfolio at any time.

I look forward to hearing from you soon.

Sincerely,

Scott Zeid
